## TONY FAUST AT LONG ODDS.

WINS THE CONEY ISLAND HANDICAP FROM KING'S DAUGHTER.

Notasulga Beats Cohort For the Daisy Stakes -Joe Nealon and Yankee Girl the Only Successful Favorites.

New York, June 21.—Following up the victories of Nealon and Firestone, winners of the Suburban Handleap and Double Event, respectively, at Sheepshead Bay Thursday, another horse which raced well in California during the winter came into prominence today. This was Tony Faust, the three-year-old colt by Saln—St. Rose, which won the Coney Island Handicap, the principal feature of the day's card. Tony Faust, which was one of the best horses at Oakland during the winter, had raced once in the east and his effort was not a bad one, yet he was given little chance to beat the good sprinters opposed to him in the Coney Island Handicap, going to the post virtually unsupported at 30 to 1. He dropped from the clouds, as it were, to win driving, just beating the pacemaker, King's Daughter, by a half furlong. Like Nealon, Tony Faust was bred at Barney Schreiber's Woodlands Farm in Missouri, and his name was added to the already long list of stake winners sent out from this breeding establishment.

Tony Faust'was not the only long shot winner of the day, Alauda, at 10 to 1, accounting for the opening race, while Troublemaker, at 15 to 1, left the maiden class in the closing dash. The only actual favorites to win were Joe Nealon and Yankee Girl, though the two other winners were substantially supported.

That Cohort, the choice of the Daisy Stakes, Should have beaten Notasulga was the belief of a large majority of those who saw the race, but Cohort broke rather poorly and Lowe was not equal to putting up a strong finish in the closing drive. After the rush and hurly-burly of Suburban Day, it seemed rather tame at Sheepshead Bay, yet there was a smashing good crowd present, and with seven races, all well filled, there was plenty to interest throughon'.

seven races, all well filled, there was plenty to interest throughout.

An accident which resulted rather seriously for a boy named C. L. Miller, who had his first mount in a race, came with the running of the fifth race. Young Miller had the mount on Punch, which ran away after the finish, finally running into the fence and Miller's leg was broken. He was given all the treatment possible by the club's physician and then sent to the hospital. He is a nephew of John Miller, trainer for M. L. Schwartz, the owner of Punch.

E. Dugan was the only rider to score more than once and he got home first with both Barbary Belle and Joe Nealon.

## JOHNNIE BLAKE'S SEVENTH VICTORY.

#### De Reszke Scores at Buffalo-Kuro Wins the Steeplechase on Three Legs.

Buffalo, N. Y.. June 21.—Fred Cook's Johnnie Blake scored his seventh straight victory by cantering away with the second race at Kenilworth Park this afternoon. The Commoner colt was meeting a very ordinary band and he was always a prohibitive favorite. He conceded weight to everything in the race. The time, 55½ for the four and a half furlongs, marked a good performance, as the track was fully two seconds slow.

The erratic Gilpin was among the beaten favorites. He was an odds-on choice in the fifth race, but the best he could do was to finish third to the old Hayman standby, De Reszke. This horse was standat one of the Jockey Club's breeding stations last season and was resurrected by his owners this spring and again placed in training. He showed some of his old-time speed in today's race, which he won in runaway fashion and pulled up fighting for his head. Bitter Hand was second.

The steeplechase, while it resulted in a close finish, was an uninteresting affair. Caloorahatchee, which opened a 7 to 10 favorite and receded to even money at post time, dropped out of the struggle at the first lump, where he helited into one of the

finish, was an uninteresting affair. Caloorahatchee, which opened a 7 to 10 favorite and receded to even money at post time, dropped out of the struggle at the first jump, where he belied into one of the wings and unseated his rider. Then Croxton, backed from 5 to 2 to evens, opened a big lead and led until well into the homestreth, where Kuro caught and passed him, winning by a half length. When Kuro pulled up he was hobbling on three legs. Caloorahatchee was caught and remounted, finished the course and got third money.

Jockey J. Walsh was cautioned by Steward Morris against rough riding after the second race. Walsh had the mount on Shindy in this race and, when the start came he cut across to the inside, interfering with most of the other horses. Jockey Joseph Hogg has applied for a license and will ride for M. L. Hayman during the Kenilworth meeting.

Mose Jacobson, trainer of T. Hitchcock's Dog Rose, claims that the reason the latter bolted on the stretch turn in his race yesterday, and for which he was disqualified, was because the colt was savaged by Cave Adsum. C. E. Mahone has signed jockey McNamara, a Buffalo boy, for the remainder of the season. Steve Davidson arrived from Windsor this afternoon with his stable.

## ASCOT MEETING CLOSES.

London June 21.—The meeting at Ascot closed dady. The weather was showery and the attendance was smaller. King Edward was present at the only race in which there was any interest, the Wokingham Stakes (handicap) for three-year-olds and upward, six furlongs. The result was a surprise. Forerunner II., at 33 to 1, won by a neck. Morny, at 20 to 1. was second, and Albert Hall at 100 to 12 was third, two lengths behind Morny. Forerunner II. is a three-year-old bay colt by Pioneer out of Kendal Belle. He is owned by P. MacNamara and is in the Nugent stable. He won his only start in England as a two-year-old last July, after which he was raced in Belgium.

## CAPTAIN REES AT LATONIA.

Cincinnati, O., June 21.—Captain J. H. Rees was at Latonia today. He will see the running of the Queen City Handicap and then journey on to Pittsburg on pitvate business. In speaking, of the Tennesee racing situation, he said that the supreme court will shortly hand down its opinion relative to Judge Palmer's decision. Should it uphold Judge Palmer's decision, Captain Rees thinks that a full meeting will be attempted at Montgomery Park to follow either Latonia or Louisville.

## THE COMMONER'S GET IN DEMAND.

Detroit, Mich., June 21.—W. O. Parmer, the owner of The Commoner, has received an offer for the twenty-two yearlings by that sire. Parties from New York have gone to Belle Meade to look them over.

### FAVOR PASADENA AND PLANTLAND.

May Have Muddy Track for the Running of Queen City Handicap.

Cincinnati, O., June 21.—The Queen City Handicap is holding out unusual interest and probably one of the greatset crowds in the history of the Latonia track will be on hand to witness its running tomorrow. Indications are that rain will fall as it began to cloud up after the running of the third race. There was a drizzle, but it subsided before the running of the fourth race and did not aftect the track. If the track remains fast a field of eleven, possibly twelve, will line up to the barrier. Pasadena, Plantland and Tileing are known to be good mud runners and are receiving the most attention tonight.

The Minks and Lexoline, should his owner elect to start the latter, will be coupled in the betting, and if the track becomes minddy, their chances will be materially enhanced. True Wing worked an impressive mile and a furlong yesterday but her chances are not considered seriously. Phil Finch is still very sore and it is probable that he will be an absentee from the big race.

James H. McCormick got in at an early hour with his Queen City Handicap candidate, Tileing, which will be ridden by Garner. Glorifier, which was reported to have been shipped here in company with Tileing, McCormick said, is practically out of training, as he has been kept in the stable for almost three weeks. McCormick does not feel over enthusiastic about winning tomorrow's race. "Just took a chance, as the horse is good and the big purse is worth going after," was the way he expressed it.

The carded starters, their weights, the jockeys engaged to ride and the odds quoted tonight are as follows:

## THREE FALL IN THE STEEPLECHASE

#### J. Lee Fails to Ride a Winner-Coup With Hazelthorpe-Pink Star Goes to Farm.

Cincinnati, O., June 21.—The jumping race at Latonia today was a farce. Three horses fell, one refused to go the course and the remaining three ran in a straggling order and furnished no semblance of a contest. War Chief secured an advantage from the start and led Grey Plume and Merry Pioneer all the way. Pendragon, the stable mate to War Chief, was the first to fall and Graceland, the favorite, and Race Girdle fell over him. R. C. Rann, the heavily supported odds-on favorite in the fifth race, was clearly best, but suffered from a poor send-off and was much buffeted about. The showing of Tackle in this race was on a par with that of Lady Fesca in her initial start. He displayed much speed and dashed into a long lead and but for swerving would have been a sharp factor. No 100 to 1 will be again quoted against him in these parts.

For the first time since the opening of the meeting J. Lee failed to ride a winner. It has become a fashion with many here to follow Lee blindly, regardless of what he rides, and as they double their stakes progressively his failure this afternoon cost them a pretty sum.

In the third race Ovelando's saddle turned, and eotherwise might have upset the well-laid plans of Ed Alvey to bring off a coup with Hazelthorpe. Orlandwick's victory in the second was a case of sudden improvement and called forth some sharp criticism. Gamester in the closing race showed good form and never left the issue in doubt. Stone Street had good racing luck in the opening race, which enabled him to win rather handily. The Pinkerton force was active this afternoon rounding up the men who are laying prices in the grandstand and made a big haul. Since the abolition of messengers to carry bets into the ring many men have been in the habit of accepting wagers surreptitiously from women bettors and have been waxing fat on the short odds laid. W. H. Fizer shipped Pink Star to the Woodford farm last night, where he will be gelded and turned out until fall. The colt has been showing a disposition to sulk in his recent

Alf Oldham finally decided on turning Colonel Jim Douglas out and shipped him to Louisville, where he will be rested until fall.

## GOOD DAY FOR TALENT AT WINDSOR

GOOD DAY FOR TALENT AT WINDSOR.

Detroit, Mich., June 21.—Four favorites and a heavily backed second choice won at Windsor today. The only balm for the layers was when King Ellsworth got home an easy winner in the fifth race, the Trotter horse going to the post unsupported at 15 to 1. Royal Breeze, in the colors of Burlew & O'Neill, ran a sensational race in the third and showed his superiority as a sprinter. He seemed hopelessly out of the race at the half mile but Hennessy went to work on him and he gradually wore down the others and won with ease.

The most exciting race of the day proved to be the first race, when Charley Ward, Mary Custis and Glena MacBride turned into the stretch unon even terms and finished that way. Moceland, however, outfinished the other boy, getting the verdict by a nose. Charley Ward opened favorite in the race, and his odds were allowed to recede to 9 to 5. As the horses were going to the post Dr. Pangritz and his friends began to bet on the Deerslayer gelding and when the off bell rang 7 to 5 was the best to be had.

Willie Shields' stable of nine horses arrived this morning in good condition from New York. J. Hennessy accompanied the stable and will do the fiding here. B. L. Marders arrived from Memphis with Klingsor, Joe Levy and Grand Duchess. Jockeys Boland, Gaugel and Kunz left tonight for Latonia to ride in the Queen City Handicap. Boland will have the mount on Peter Sterling, Gaugel on Plantland and Kunz on True Wing.

## NEALON'S RACING CAREER.

Barney Schreiber has had much success in breeding and racing thoroughbreds, but no performance by anyt horse produced at his Woodlands Farm in Missouri has, according to a message from San Francisco, brought him so much delight as the victory of Neal'on in the Suburban Handicap. Nealon's victory adds much to the already good standing of Sain as a sire, and it brings Woodlands Farm more

## Winner—B. g. by Deerslayer—Annie P. (trained by G. Klueber).

Went to post at 2:47. At post 1 minute. Start fair. Won driving; second and third the same. Charley Ward was saved from the early pace, moved up fast when entering the stretch and, in a hard drive, outgamed Mary Custis in the final strides. The latter, running to her best form, followed the early leaders closely and gamely outstayed Glena MacBride, second place. Glena MacBride, showing improvement, set the pace fast and tired in the closing strides, but had no contention for third place. The Belle winner was entered for \$500^{\circ} no bid.

Winner—B, f, by Woolsthorpe—Hazeldean (trained by S. M. Henderson).

Went to post at 3:35. At post 2 minutes. Start good. Won driving; second and third the same. Hazelthorpe broke well in motion, raced Zinfandel into defeat in the first half and, standing the final drive gamely, though tiring badly, outstayed Rickey. The latter finished gamely and saved much ground when turning into the stretch. Boserrian went a trifle wide all the way and also finished gamely. Major T. J. Carson was a distant trailer most of the way and came with a good burst of speed through the stretch. Ovelando had scant chance after going a quarter, as his saddle turned. Zinfandel was short and quit after going a good half.

Overweights—Hazelthorpe, 4½ pounds.

Went to post at 4:01. At post 3 minutes. Start good. Won easily; second and third the same. War Chief showed much the most speed and, fencing well, ran into a long lead at once and was never seriously menaced. Grey Plume was lucky in avoiding going down at the second jump and ran fairly well. Merry Pioneer ran badly and fenced poorly. Maraschino ran out at the fourth jump. Pendragon blundered at the second fence, fell after going over and threw Graceland and Race Girdle.

## PENDERGAST WILL LOSE A LEG.

New Orleans, La., June 21.—Jockey J. Pendergast, who was a promising rider in Canada last summer, suffered a severe accident in the third race at the local merry-go-round today, when his mount. Orderly, fell as a result of bleeding. He was thrown into the fence and his left leg was so badly broken that amputation will be necessary.

## BERRY BUYS GEORGE C. GRADDY.

Lexington, Ky., June 21.—Sid Berry purchased today of J. R. Morton the three-year-old coit, George C. Graddy, by Tithonus—Violet, by Ten Broeck. The coit was handled by Lee Darnaby during the early part of the season. He was shipped to Latonia tonight.

## NICOL EN ROUTE TO LATONIA.

Buffalo, N. Y., June 21.—Jockey Nicol left tonight for Cincinnati. He will have the mount on The Minks in the Queen City Handicap. Nicol rode this horse when he won the Clark Stakes at Churchill Downs in May.

## NOTES OF THE TURF.

Jesse Lewisohn, the bookmaker, is to undergo an operation. He has an ailment of the stomach.

Kassil, the steeplechaser trained by William Garth for Al Stokes, has bowed a tendon and will have to go into retirement.

Essex II., having won all of the hunt races in ght for Dion Kerr, is to have a rest after which will be raced in open steeplechases.

The Suburban Handicap had twenty starters in 1884, 1886 and 1887. The smallest fields were in 1895 and 1904, when there were only six to race. George McRoberts, the bookmaker, has returned to Latonia from Denver. He says there were thirty-one books on at Overland Park and that was too many.

The stable of Colonel Robert Neville was shipped from Brookline to Euffalo. After the meeting at Kenilworth Park they will go to Saratoga. Mr McCann is the star of the jumpers in the Neville

Delcanta, winner of the Kensington Steeplechase, is a hot weather horse and one that requires much work. He should be a hard horse to beat from now on in short races when the weight is not excessive.

Some bad money is in circulation at Latonia Bookmaker Fontelien took what he thought were two genuine \$10 bills, but examination showed that a \$10 bill and a \$1 bill had been split and so pasted to make the two \$10 bills.

A Dublin cablegram says Richard Croker has re-covered from the effects of his cold contracted at Epsom Downs on Derby Day and is now engaged in preparing Orby for the Irish Derby, which is to be run at the Curragh next Wednesday.

The order barring the steeplechaser Bonfire from all save his stake engagements at Kenilworth has been revoked by the officials of the Buñalo track. Dr. Farley, the track veterinarian, found that Bonfire had injured one of his legs in striking a fence and this caused him to quit in his last race.

George J. Long says Sir Huon's lameness is not serious. "The veterinary tells me that Sir Huon's tendons are all right," said Mr. Long at Latonia Thursday, "and be will be trained for racing in the fall." Mr. Long said that he believes Arcite has a better chance in the Tidal Stakes today than he would have had in the Suburban and for that reason Arcite was declared out of the big handican.

## THOUGHT.

EVERY MAN HIS OWN HANDICAPPER.

HAND'S CLASSIFICATIONS of AMERICAN HORSES and JOCKEYS, or INSTANTANEOUS HANDICAPPER for 1907-8.

By Nin S. Hand.

(Author of the original "American" and "Hand's Systems of Handicapping and Turf Speculator's Guide.")

This work is the result of over twelve years' experience, observation and careful study of the racing and handicapping business and contains the correct classification of about 7,000 horses, or practically all those in training in America, showing their relative class and handicap values (on both fast and slow tracks) in pounds, together with their individual peculiarities of disposition, favorite distances and track conditions, sulkers, bleeders, quitters, bad-actors, weight-carriers, cripples, etc., etc., as well as a complete classification of ALL lockeys and stable-boys now riding in this country, etc.

The classifications are accurate and carefully compiled, being based on scientific mathematical principles and conditions as they exist TODAY, making it AN ABSOLUTELY RELIABLE and THOROUGHLY HIGH-CLASS PRODUCTION, and yet so simple that anyone of ordinary intelligence can readily understand it, and practically become an expert handicapper at once, without previous instruction or experience in the business, as all that is necessary, in addition to this book, is a copy of the entries and weights, distance and track condition, the rest of the work being virtually done for you before you begin.

If you are interested in racing at ALL, either as a breeder, buyer, owner, trainer, handicapper, bookmaker or speculator, you cannot afford to be without a copy of this book, as it is POSITIVELY THE ONLY RELIABLE WORK OF THE KIND EVER ISSUED, and WORTH THOUSANDS OF DOLLARS TO ANYONE ENGAGED IN THE RACING BUSINESS.

Printed on best bond paper, indexed and bound in flexible, full seal-grained leather, 200 pages.
